Clackmannanshire Credit Union

The Financial Services Authority has approved an application by Tullibody Credit Union to extend its common bond to include all those who '**live and work**' in Clackmannanshire.

This group of delighted Tullibody Credit Union volunteers will be very pleased to welcome all new members to Clackmannanshire Credit Union in the New Year.

The new credit union will be functioning from the end of January. It means that all residents and workers in the county will now have access to low cost financial products. Paragon Housing Association tenants in Clackmannanshire can benefit from this service.

If you want more information on the Clackmannanshire Credit Union please use our Feedback facility and we will pass your enquiry on to the Credit Union.
