

Paragon HA SHR Engagement Plan 2026-2027

How we meet the Scottish Housing Regulator's Standards

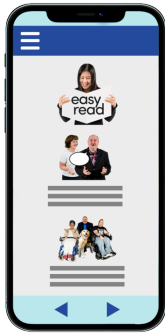

Paragon Housing Association is a Registered Social Landlord. We are meeting the standards required by the Scottish Housing Regulator who look at standards. We don't need to give extra information, just our usual yearly reports.

Paragon must send some important papers every year. These include a **statement** about how we are doing, **financial** reports, and plans for the next five years. We also need to report on the **Tenants Charter**.

If there are big changes or major safety issues, we must tell the **Scottish Housing Regulator**. This includes any safety problems being checked by the Health and Safety Executive or other authorities.

You can find out more about how Paragon and other Registered Social Landlords are meeting standards by visiting SHR's web site [Landlord performance | Scottish Housing Regulator](#)
